

Highlands Recreation District Board Member Elections

Three Board Members' 4-year terms are ending this year, so the District will be holding elections this November. Applicants must be residents of the San Mateo Highlands, U.S. citizens, registered and qualified to vote for this office at the time of the appointment. Board Members serve for 4-year terms.

The Highlands Recreation District Board of Directors meets monthly on the second Tuesday. Board members are assigned to one or two ad hoc committees which meet occasionally throughout the year.

Incumbents and new candidates must submit a resume, a 200-word candidate's statement, and an application fee. This can be done between July 13 and August 7, 2015 at the County Election Office at 40 Tower Road. Candidate Seminars will be held there on July 8 (6pm) and July 16 (10am). These are optional informational sessions.

This is a significant and rewarding opportunity to contribute to the care and future development of one of the community's finest assets.

If you have any questions regarding the appointment to the vacant Board seat, please call General Manager Brigitte Shearer at 341-4251 or email brigitte@highlandsrec.ca.gov
