"A Community Place to Learn, Grow & Play"

Tennis Rules and Regulations

HRD will open the Tennis Courts with the following protocols in place - which align with the county's understanding of Tennis. These procedures will be in effect until May 31, 2020 and will be adapted should the Shelter in Place Order be further revised on June 1, 2020. Please follow all rules and regulations. The Tennis Courts will be monitored during this time. The District will close the courts if these rules and regulations are not followed and/or the courts become unsafe. We appreciate your understanding.

- Only Highlands Residents that have purchased HRD Tennis Court Key will be allowed to access the courts.
- You must make a tennis court reservation by emailing admin@highlandsrec.ca.gov with dates and times you would like to play. Reservations are made on a weekly basis only.
- Only members in the same household may play together.
- Singles must be played in a manner in which each ball is touched only by a single tennis player.

Please see the Tennis Court Schedule at:
