Notification in advance of the meeting will enable the District to make reasonable arrangements to ensure accessibility to this meeting and the materials related to it. Public records that relate to any item on the open session agenda for a regular board meeting are available for public inspection. Those records that are distributed less than 72 hours prior to the meeting are available for public inspection at the same time they are distributed to all members, or a majority of the members of the Board. The Board has designated the office of the Highlands Recreation District, located at 1851 Lexington Ave, for the purpose of making those public records available for inspection.
