

Highlands Recreation District Invites Your Interest in the Position of General Manager

The Organization:

The Highlands Recreation District is a Special District which operates under the Community Services District law pursuant to government code 61000 et seq, for the purpose of providing recreational services within the District. Services are provided under the leadership and direction of an elected Board of Directors.

The District was founded by Highlands community members in 1957. Much has changed during the District's history and our programs have greatly expanded. The organization operates a 3.5 acre recreation center, which includes an Early Education Center, gymnasium, full aquatics facilities, tennis courts, playgrounds, meeting space, and offices. The District operations a fully accredited daycare and preschool and provides licensed after school care to school age children in Kindergarten through 8th grade. 'The Rec' offers a full range of recreation programs for people of all ages. This includes, exercise classes, music lessons, and books clubs, to name just a few activities. Some Rec sponsored activities take place offsite. In addition, the District owns 40 acres of unimproved Open Space, which borders part of the Highlands community.

The Highlands Recreation District's operating income is generated through a mix of property taxes, program fees, and special purpose grants. The District has a reserve fund and is financially stable.

In 2017, The District was awarded a Special District Leadership Foundation's District Transparency Certificate of Excellence. Through collaboration, dedication and responsible management, 'the Rec' continues to be an integral part of the wonderful Highlands Community.

A Community place to learn, grow, and play.
